Invitation WEINMANN Treff 2023

The A to Z for your timber framing needs.

Dear builders, carpenters and woodworkers,

We are pleased to invite you to join us in St. Johann, Germany from **November 15 to 16** for this year's **WEINMANN Treff** open-house event. You can expect numerous **presentations** from **experts** on topics including the future timber construction, serial renovation and more. Also, don't miss the opportunity to see the **exhibition** of solutions from our **partner companies** and exchange ideas with experts and other industry members on site. In addition, you'll get to know the consulting offers from **SCHULER Consulting**, exchange ideas with our **software experts** and learn more about solutions from our **service colleagues** and the **WEINMANN Academy**.

Be a part of it!

We accompany you and your company with the A to Z for your carpentry needs.

IMPORTANT: Admission to the WEINMANN Treff is only possible after prior registration.
