

Building living spaces.

SAVE THE DATE – WEINMANN Treff in November 2025 in St. Johann

In November it's time again to gather at the industry meeting point for timber construction at WEINMANN in St. Johann-Lonsingen. Let yourself be inspired by our latest technologies for the timber construction industry and meet our partner companies and your industry colleagues in one place!

This is how we build living spaces. Together with you.

WEINMANN Treff

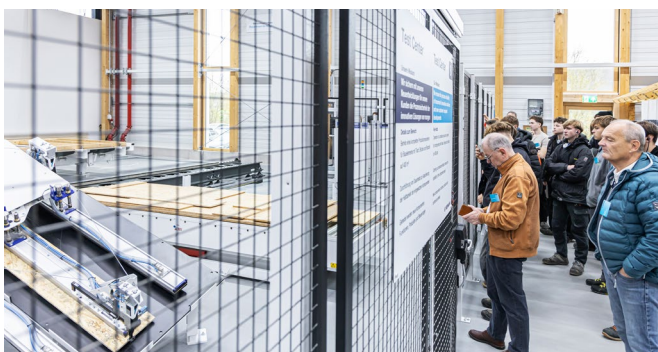

**November 12-13,
from 9 a.m. to 5 p.m.**

The industry meeting for timber construction.

Welcome to
WEINMANN Treff

WEINMANN Treff | 12.-13.11.2025
The timber construction industry meets in the Swabian Alb

[The latest information and registration \(available from the end of September\) can be found here](#)

What you can expect:
